Risk or Reward: Thoughts on Open Source

the LabVIEW EXPERIMENT

What is your definition of ‘Open Source’?

the LabVIEW EXPERIMENT

xtby

What is your experience with having others collaborate on your open source projects?

What value have you experienced from others contributions / code?

What are the biggest pain points for open source in LabVIEW?

xtby

When has an open source experiment you tried, not go as planned?

xtby

What would you like to see in terms of support from NI?

the LabVIEW EXPERIMENT
